HAMBURG EMBROIDERIES.

BLACK FLOUNCINGS (COLORED EMBROIDERED) French artisan in producing marvellous effects by em broidering with colored cotten threads on Black Mous soline de L'Indo—a fabric specially manufactured for embroidering purposes, which is guaranteed to be a perfect jet black and fast color, retaining its brilliancy as long as the fabric lasts. The designs are such as could only emanate from French studies, and the selection, combination and grouping of shades are extremely unique. These Embroderies we have in the Flouncing width, 46 Inches wide, and the narrow edge to match for the waist trimming. We can also furnish the pisin material in any quantity, this being the same fabric as used in the flouncings, thus insuring a per fect match as regards quality and shade of black. We confidently assert that there is not another such line of Black Flouncings, Colored Embroidered, so com-plete in all its details, to be found in this country as we now exhibit.
